Anaconda- the 4x4 Snake Cube

Hard 3d puzzle. The 4x4 verison of the best seller. Recommended: all. Popularity: *****

In front of you is a 4x4x4 wooden cube. Open it up to a winding snake..... that's easy.

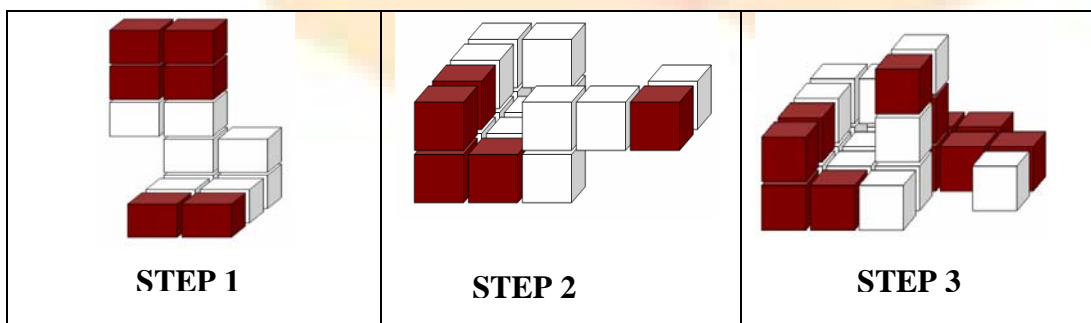

Now, try to put the cube back together again and ... that's difficult!

Any use of force is prohibited.

Too difficult? Take a hint from the included solution.
